SCHEDULE 1

Development and Site Operations Requirements

Felpham Fields Residents Association Ltd. is responsible for the management, maintenance and operations of “Felpham Fields”. The Licensee must ensure when undertaking Works at the Location, which are likely to have any impact on any land or property belonging to Felpham Fields Residents Association Ltd. or any other residence within the boundaries of “Felpham Fields” that all Works undertaken by the Licensee and/or, their developers, contractors and agents, comply with the below, Felpham Fields Residents Association Ltd. Development and Site Operations Requirements.

The Licensee must also ensure that they, their developers, contractors and agents comply with relevant health and safety legislation and such rules as Felpham Fields Residents Association Ltd. may make concerning the manner in which The Development is carried out.

In particular, the following requirements apply -

(a) No burning of rubbish is allowed on site.

(b) The Licensee, developers, agents or contractors must comply with all legislation and Local Authority requirements regarding safety and the control of pollution, including noise pollution.

(c) The Licensee must advise Felpham Fields Residents Association Ltd. of the parking requirements of his or her agents or contractors at least ten working days prior to the commencement of The Works and must comply with the Company parking policy at all times.

Further information – Please call the Secretary on **01243 829439**

- (d) Site working hours should be restricted to between 8am-6pm Monday to Friday and 8am-1pm on Saturdays, however, where it is necessary to operate outside these parameters, written permission to vary these parameters must be obtained in writing from Felpham Fields Residents Association Ltd.
- (e) The Licensee must agree with the Company a designated construction route for construction traffic at least ten working days prior to the commencement of the Works.
- (f) The Licensee must ensure that developers, agents or contractors do not cause any restrictions to traffic or pedestrian access in any part of "Felpham Fields" without the prior agreement of Felpham Fields Residents Association Ltd. When working on adopted roads, the contractor must comply with all statutory requirements.
- (g) The Licensee, developers, agents and contractors must not allow any vehicles, rubbish or materials to be placed outside the Location site boundary, without written permission from Felpham Fields Residents Association Ltd.
- (h) The Licensee must ensure that developers, agents and contractors keep the Location site in a neat, clean and tidy condition during all phases of construction and must use their best efforts to minimise any disturbance to other residents on "Felpham Fields."
- (i) The Licensee must ensure that developers, agents and contractors establish wheel-cleansing facilities to prevent mud being deposited on the public highway or on the Felpham Fields Residents Association Ltd. private roadways.
- (j) The Licensee must ensure that developers, agents and contractors do not allow any vehicles to cause rubbish, mud or other debris (including nails and tacks) to be deposited on Company roads or verges. If this occurs the Licensee must immediately take remedial action to clean the area. If the Licensee fails to clean up such rubbish, mud or other debris within twenty-four hours of it being deposited Felpham Fields Residents Association Ltd. may, without notice to the Licensee, take appropriate remedial action and recover the costs from the Licensee.
- (k) The Licensee must ensure that any type of necessary sign posting for the purposes of health and safety or the delivery of materials is kept to a minimum and displayed strictly within the site boundary. The Licensee must ensure that all signage is removed immediately on completion of The Development.
- (l) The Licensee must ensure that developers, agents and contractors maintain their own site security to prevent unauthorised access and risk to residents of "Felpham Fields."
- (m) The Licensee must take out appropriate insurance to cover any damage to persons or property on "Felpham Fields."
- (n) The Licensee must ensure that the Location site compound is securely and tidily fenced off, that it remains within the Location boundaries and that it does not include any property belonging to Felpham Fields Residents Association Ltd. without the specific written consent of Felpham Fields Residents Association Ltd.
- (o) No materials may be tipped on any area belonging to Felpham Fields Residents Association Ltd. without the prior written consent of Felpham Fields Residents Association Ltd.
- (p) No stockpiled materials may be stored on any area belonging to Felpham Fields Residents Association Ltd. without the prior written consent of Felpham Fields Residents Association Ltd.
- (q) The Licensee must ensure that any Works that affect areas belonging to Felpham Fields Residents Association Ltd. are not undertaken without prior written agreement from Felpham Fields Residents Association Ltd. Where there is no prior written agreement from Felpham Fields Residents Association Ltd. and any damage is caused by such Works, it is the responsibility of the Licensee to immediately

reinstate any such damage. Where the Licensee fails to reinstate damage caused to Felpham Fields Residents Association Ltd. land within twenty-four hours of its occurring Felpham Fields Residents Association Ltd. may, without notice to the Licensee, take appropriate remedial action and recover the costs from the Licensee.

(r) If The Works include alterations or extensions to the original accessway across Felpham Fields Residents Association Ltd. land, the Licensee must obtain permission in writing from Felpham Fields Residents Association Ltd. to undertake any such alterations.

(s) The Licensee must ensure that developers, agents and contractors do not disturb any road surface or verge owned by Felpham Fields Residents Association Ltd. without written permission from Felpham Fields Residents Association Ltd.

(t) Any Works on Felpham Fields Residents Association Ltd. roads must comply with the Road Traffic Act 1988 and related legislation.

(u) Before The Works commence the Licensee must supply Felpham Fields Residents Association Ltd. with the name and telephone number of the person the Company may liaise with regarding site matters and The Development.

(v) The Licensee must ensure that developers, agents and contractors follow directions by Felpham Fields Residents Association Ltd. and its representatives concerning the Felpham Fields Residents Association Ltd. Development and Site Operations Requirements.
